- 9) LOST BALL – A player has 5 minutes to locate his golf ball before it is declared lost. Hitting a provisional ball from the original location will help speed up play.
- 10) EMBEDDED BALL- (Appendix I) Anywhere "through the green", a ball which is embedded in its own pitch-mark in the ground, except in loose sand, may be lifted without penalty, cleaned and dropped as near as possible to the spot where it lay but not nearer the hole.

- 13) **PACE OF PLAY** – (Rule 6-7 Undue Delay) each group is required to maintain its position on the golf course. **This simply means keeping up with the group in front of yours! Groups that fall behind on their pace of play schedule will be put on the clock. Any player in the clocked group that exceeds 45 seconds on any shot will be given a warning for a bad time; a second bad time will receive a one stroke penalty; a third a two stroke penalty; a fourth bad time will lead to disqualification. Pace of Play will be monitored and enforced.**
- 14) TIME OF STARTING – If a player arrives at his starting point, ready to play, within five minutes after his starting time, the penalty will be two strokes on the first hole instead of disqualification. The penalty for arriving beyond five minutes after the starting time will be disqualification.

- 16) TURNING IN SCORECARDS -When all scores have been posted on the Official Scoreboard and approved by the Committee, the result of the competition shall be deemed to have been announced. In the event of a playoff, the competitions shall be deemed to have closed when the playoff scores have been approved by the Committee.
- 17) PLAYOFF – If needed, there will be a playoff for the top 32 in the Championship Flight. When determining all other flights, ties will be decided by a score card playoff working backwards from a selected hole.
- 18) INCLEMENT WEATHER – One prolonged blast signals a dangerous situation. Suspend play and evacuate the course. Two blasts signal a normal suspension. Competitors can complete the hole they are on but can't start a new hole.
- 19) In the event of weather delays and issues, the TGCA Committee will determine the best course of action to complete the championship.
- 20) RULES COMMITTEE – The committee reserves the right to assess the penalty of disqualification for inappropriate conduct. All decisions by the committee are final. Committee: Tim Adams, Tournament Director, Dan Ross, Head PGA Professional, Scott Collins, PGA Associate, Andrew Jent, PGA Associate.
