Event Registration

Registration for all weekend events will be through the IGA handicapping system, BlueGolf, or by letting any member of the Professional Staff know. Players must register online by Thursday at 6:00pm prior to an event. No late entries will be accepted unless needed for even numbers and will be first come basis. Pairings for events will be available on Friday.

Handicapping

New in 2020, the World Handicap System has made handicapping events more easy and fair. Under the new system, your course handicap is now calculated by the Course Rating and Par. There will be no reduction of strokes since there is no difference in Par across all tees on both the Ackerman-Allen and Kampen Courses. We will continue to handicap events using the World Handicap System in 2021.

Events

All Men's Club events will feature a different format each week and will alternate as best as possible between the Ackerman-Allen and Kampen Courses. All events will be handicapped.

For 2021, more events will feature playing your own ball for all 18 holes.

A new season long event will take place in the 2021 Men's Club Season, the "Ol Buddy Match Play". The event is a 2 Man, Fourball Match Play event. Teams of 2 will face off against another team of 2 and will play 1 Best Ball using Match Play scoring. Teams will be bracketed using random seeding. This event will be a major. It WILL NOT replace the Individual Match Play Championship.

Point System

A point system will be used in 2021 to greater emphasis on winning Men's Club events. Points earned in the Men's Club Major Tournaments will be totaled for an overall season.
